

Yea Saleyards home to a new truck parking bay

Murrindindi Shire Council is pleased to announce the completion of the new truck parking bay at the Yea Saleyards.

The new parking bay will provide a safe delineated space for up to 30 trucks – from B-Doubles to Rigid Trucks.

Council would like to thank all parties involved in the construction process.

Trucks made themselves at home in the newly-opened truck parking bay at the Yea Saleyards on Friday 8 June.
