.GREAT VICTORIAN. RAIL TRAIL

Tallarook-Yea-Alexandra-Mansfield

Whether you're seeking adventure or looking to get back to nature, the Great Victorian Rail Trail is for you. This easily accessible, varied and unique rail trail offers close proximity to heritage classified rivers and majestic valleys, lakes and mountains. So strap on your daypack and head for the hills.

The trail is Victoria's longest rail trail and spans 134km from Tallarook through Yea to Mansfield, with a link between Cathkin and Alexandra. You'll be able to explore the rail trail on a bike, on foot or on horseback.

Located less than one hour from Melbourne, the trail meanders through beautiful countryside following the Goulburn River at Tallarook and passes through the Trawool Valley, classified by the National Trust for its scenic beauty.

You can take a ride through the historic 200 metre long Cheviot tunnel and you may be lucky enough to arrive at the old Alexandra Station on a day that the Alexandra Timber Tramway and Museum operates.

The trail traverses the Mitchell, Murrindindi and Mansfield Shires, connecting towns and communities including Tallarook, Trawool, Kerrisdale, Homewood, Yea, Molesworth, Cathkin, Alexandra, Koriella, Yarck, Kanumbra, Merton, Woodfield, Bonnie Doon, Maindample and Mansfield, making it one of the longest trails in Australia.
