PATH000995 - Whittlesea-Kinglake Rd Kinglake Ranges Shared Path – 458 m (1452-1910)

The screenshot displays a GIS application interface. The main map area shows an aerial view of a residential area with Whittlesea-Kinglake Road running horizontally. A shared path is highlighted in black along the road. A circled '1' is placed on the path at a cross-fall location. The map includes various street names like Bald Spur Road, Grandview Crescent, and Devenham Road. A search bar at the bottom left contains the text "PATH000995: Whittlesea-Kinglake Rd Kinglake Ranges Shared Path (1452.0 to 1910.0)". To the right, an information panel provides details for the asset.

PATH000980 - Whittlesea-Kinglake Rd Kinglake Ranges Shared Path - 157 m (2505-2662)

The screenshot displays a GIS application interface. On the left, there is a map showing an aerial view of a residential area. A path is highlighted in black, starting from a point labeled '2505' and ending at a point labeled '2662'. A circled number '3' is placed at the start of the path. The map includes a scale bar and a search bar at the bottom. The search bar contains the text 'PATH000980: Whittlesea-Kinglake Rd Kinglake Ranges Shared Path (2505.0 to 2662.0)'. Below the search bar are 'Search' and 'Clear' buttons. The right side of the screen features a 'PATHWAYS' panel with two information panels. The first panel shows location details: VicMap Locality (KINGLAKE CENTRAL), VicMap Parish (KINGLAKE), and VicMap Ward (KINGLAKE). The second panel shows asset details: Asset Id (PATH000980), AsseticLink (Launch), Asset Name (Whittlesea-Kinglake Rd Kinglake Ranges Shared Path), Start Node (Start seal (No 260 opp Blackwood La)), Start Chainage (2505), End Node (Deviation Rd (E end)), End Chainage (2662), Length (157), Width (2.0), Network Measure (314.0), Component Primary Material (Spray Seal), OCI (3), Maintenance Asset Sub Type (Standard 1), Position (RHS), Path Use (PB), and Zone (A1).

REMOVED FROM PROGRAM

PATH000981—Whittlesea Kinglake Rd Kinglake Ranges Shared Path—1170 m (2662-3832)

The screenshot displays a GIS interface. On the left, a satellite map shows a gravel path with a fence. An inset image shows a close-up of the path surface. A black rectangular box on the map highlights a section of the path, with a circled '4' at the top and three circled '5's along the path. The right side of the interface features an 'INFO PANEL 2' with the following details:

4) Existing seal already removed and compacted CR placed (see insert).

5) Replace existing 2.4m long **300 diameter** RCP and end walls with 2.4m long **375 diameter** RCP and end walls (3 locations).

Addendum1. Segment 981 has been removed from the 2021/2022 Path Renewal Program.

PATH000982 - Whittlesea-Kinglake Rd Kinglake Ranges Shared Path - 70 m (3832-3902)

The screenshot displays a GIS application interface. The main map area shows an aerial view of a residential area with roads labeled 'Whittlesea-Kinglake Rd', 'Extons Road', 'Sutherland Road', and 'Unnamed'. A circled number '6' is placed on the path. An inset image in the bottom-left corner shows a close-up of the path surface, which appears to be compacted CR with an existing seal removed. The sidebar on the right contains two information panels. The first panel shows map context: VicMap Locality (KINGLAKE CENTRAL), VicMap Parish (KINGLAKE), and VicMap Ward (KINGLAKE). The second panel provides details for asset PATH000982, including its name, start and end nodes, chainage, length, width, network measure, component, primary material, OCI, maintenance asset sub-type, position, path use, and time.

SECTION ADDED TO PROGRAM

PATH000089 – Downey Street (GV Hwy) South Side - 212 m (232-444)

The screenshot shows a GIS application interface. The main map area displays an aerial view of a residential neighborhood. A thick black line highlights a segment of Downey Street, running from George Street to Myrtle Street. The map includes various street names: George Street, Myrtle Street, Downey Street, and Station Street. A control panel on the right side of the map displays asset information for PATH000089. The panel is titled 'PATHWAYS' and contains two info panels. The first info panel shows location information: VicMap Locality (ALEXANDRA), VicMap Parish (ALEXANDRA), and VicMap Ward (RED GATE). The second info panel shows asset details: Asset Id (PATH000089), AsseticLink (Launch), Asset Name (Downey St (GV Hwy) S Side), Start Node (George St), Start Chainage (232), End Node (Myrtle St), End Chainage (444), and Length (212). At the bottom of the map, there is a search bar with a magnifying glass icon and four search options: SIMPLE ADDRESS SEARCH, PROPERTY, OWNER, and PARCELS IN TOWNSHIP SEARCH. An 'AERIAL 2019 SLIDER' control is visible in the top left corner of the map area.

Addendum1. Segment 089 has been added to the 2021/2022 Path Renewal Program.

SECTION ADDED TO PROGRAM

PATH000091 – Downey Street (GV Hwy) South Side – 4.5 m out of 102 m (459-561)

The screenshot displays a GIS application interface. The main map shows an aerial view of a residential area with streets labeled 'Downey Street', 'Unnamed', and 'Myrtle Street'. A path segment is highlighted in black on Downey Street, with a circled '7' indicating a specific section. Two aerial photo inserts are overlaid on the map: one on the left showing a close-up of a path edge, and one on the right showing a path with a raised section and a tree. The right side of the interface features a 'PATHWAYS' panel with two info panels. The first info panel shows location details: VicMap Locality (ALEXANDRA), VicMap Parish (ALEXANDRA), and VicMap Ward (RED GATE). The second info panel shows asset details: Asset Id (PATH000091), AsseticLink (Launch), Asset Name (Downey St (GV Hwy) S Side), Start Node (Myrtle St), Start Chainage (459), End Node (Villeneuve St), End Chainage (561), and Length (102). The bottom of the map interface has a search bar and several search filters: 'SIMPLE ADDRESS SEARCH', 'PROPERTY', 'OWNER', and 'PARCELS IN TOWNSHIP SEARCH'.

PATHWAYS	
INFO PANEL 1 (1 OF 1)
