The application was deemed eligible. Application supported.
4	Yea Wetland Committee	Establishing a Yea Wetlands Website	Community Grant	\$4,840.00	\$1,400.00	TBC	No	Further work is required to support the need for the proposal, identify community need and also whether alternative solutions such as combining resources and linking with existing websites should be explored. Application not supported.
5	Made in Murrindindi	'Made in Murrindindi' Supporting and making locally made craft and produce.	Community Grant	\$3,110.00	\$1,700.00	TBC	No	This group is seeking to become an incorporated association and develop a brand that will coordinate the 15 arts groups involved into one network aiming to promote and sustain the arts and crafts industries of the Shire. The group have worked extensively with the Community Arts Recovery Officer from Regional Arts Victoria. This application was initially recommended for deferral until further discussion could be held with the group. Council Officers supported further investigations for alternate funding and the group met with RDV to explore alternate funding with no success. The assessment panel reassessed the application taking into account this new information. Application supported.
