IMMUNISATION SESSIONS 2022

Looking after small children keeps you very busy. There is always a lot to remember!

You can view your child's immunisation history by using your Medicare online account. To access your child's Immunisation History Statement, simply log on to your account on the myGov website, my.gov.au or by downloading the Express Plus Medicare mobile app.

To learn more about immunisation, please visit betterhealth.vic.gov.au and search 'immunisation', or speak with your GP.

Now offering
free influenza
immunisation by
appointment for
children from 6
months to 4 years.
