Meandering around the Canadian Maritime – with Pauline | 7pm Thursday, 16 May

It's a weird experience to travel half a world away from home (to the east coast of Canada) and have people thank you for coming to visit their part of the world. It's a novel occurrence, but it just reinforces how polite and friendly Canadians really are. Come along and discover the amazing history of the Canadian Maritime provinces as well as the incredibly resilient people who have inhabited its shores over the centuries. In addition, the coastal and autumnal scenery is pretty special too!
