APPLICATION FOR 'REPORT & CONSENT'
ASSESSMENT CRITERIA - SECTION B
Car Parking - Regulation 78

Form current as at 1 July 2019

Description of Proposal and Reasons for Application

The Minister for Planning in his Minister's Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to regulation **78** that Council must have regard to when considering varying a design and siting standard.

Note: If any matter set out in the guidelines is not met, then Council **must refuse** consent.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria

Objective

To ensure that car parking is adequate for the needs of the residents.

Decision Guidelines

- a) The anticipated residents are likely to generate a lesser demand for car parking; **or**

Comment:

The provision of car parking on the allotment would reduce the on-site car parking by equal to or more than the number of car parking spaces that would be provided on the allotment; **or**

Comment:

b) The dimensions of the allotment provide insufficient width and/or depth to enable the provision of the required car parking on the allotment; **or**

Comment:

c) The location of existing development on the allotment provides insufficient width and/or depth to enable the provision of the required car parking on the allotment; **or**

Comment:

d) The availability of public transport and on-site parking would lessen the demand for car parking on the allotment; **and**

Comment:

The provision of car parking is consistent with any relevant local planning policy or parking precinct plan in the relevant planning scheme.

Comment:

c) The location of existing development on the allotment provides insufficient width and/or depth to enable the provision of the required car parking on the allotment; **or**
