

# **Eildon Reserve Precinct Improvement Plan**

## **Thomas C Marr Reserve and Walter Moore Reserve**

### **Bulletin No. 2 - 3<sup>rd</sup> July 2020**

Murrindindi Shire Council is pleased to present the draft Improvement Plan for the Eildon Reserve Precinct, following significant input from the community. Community feedback and ideas have been taken into consideration for the development of the draft Plan. Based on a merit assessment conducted by our consultants, the following ideas have been incorporated into the draft Plan

- Upgrading of the play space to include a greater range of equipment suitable for all age groups
- Provision of a splash play area and shaded areas
- Provision of a skate circuit
- Improvements to the swimming pool area
- Upgrading of the public toilets and barbeque facilities
- Investigation into the Visitor Information Centre
- Provision of a BMX-pump track
- Retention of open spaces in the Walter Moore Reserve for Easter and Christmas events
- Provision of additional seating, picnic tables and exercise equipment

The consultant team has taken all of the community's suggestions into consideration and have completed an assessment of merit on each element. From this information and alongside their own investigation of the Reserve precinct, the draft Improvement Plan has been developed. To view the draft Plan, please click on the link below to download a copy and provide us your feedback by 24 July 2020.

Feedback can be provided via an online survey here, or by contacting a member of the consultant team below. Consultants are available to receive your feedback and discuss individual elements of the plan.

The two consultants responsible for the overall planning are

- Cathy Fyffe of CMF Consulting  
Cathy is available for a 15 minute individual consultation for residents wishing to contribute to the planning process. You can book a time with Cathy via the following link  
<https://go.oncehub.com/CMFConsulting>

Cathy will then call you at the appointed time

- Michael Smith of Michael Smith and Associates  
Michael is available during office hours (M-F) on:  
Tel – (03) 9830 0414 or Mob – 0418 172 826

It is expected that the revitalisation of the Eildon Reserve Precinct will have a number of social, physical and economic benefits to the Eildon township. This project will also compliment additional projects in the region, which are currently in various stages of development, including the Lake Eildon Masterplan.

Because this is a large scale project, we will be seeking additional funding to support Council's contribution. It is likely that elements of the project will be developed and delivered in stages.

The opportunity to provide feedback on the draft masterplan will be open until 24 July 2020. For the latest information on this project, visit [murrindindi.vic.gov.au](http://murrindindi.vic.gov.au) and search 'Eildon Reserve' or give Council's Community Development team a call on 5772 0333.
