

LARNI BULLOCK

Larni has a raw musical intelligence that gives her a superpower. She connects her recognition of pitch and sonic placement with her emotions to create an individual sound that is beautiful, mature, and honest.

With a new-found passion for songwriting fueled from a recent workshop and then follow-up individual writing session with one of Australia's top rising female country artists, Larni has produced a stand-out track titled 'Getting There'.

Also very keen with her sport of choice in Netball (which she is very highly skilled), Larni is a superbly well-rounded young star and gives her best effort at any opportunity afforded her way.

Taking part in a recent Murrindindi Shire (VIC) initiative supported by Creative Victoria, Larni had the opportunity to record 'Getting There' and produce a professional video to accompany it.

"Larni is an amazing person to have in the group. She strives to improve all the time and also encourages those around her to do the same with compassion and learned experience." – Paul Ray & Students

Larni was recently featured on a Win News report covering the 'Dindi Sessions' songwriting workshop (facilitated by country artist **Kaitlyn Thomas**) and subsequent recording session held in Yea, Victoria.

Larni's new single and video 'Getting There' released on 20 June 2020.
