

# MAYA O'LOUGHLIN

At just 11 years old Maya already has her own soulful style and on natural ability alone is way ahead of the game. This bright and energetic performer has the whole world ahead of her with a voice that instantly turns heads and then captivates and charms its way straight to the heart.

In 2019 Maya made her debut appearance at the Whittlesea Show to high acclaim and she also recorded and released her first song 'Just Another Night', a Tegan Marie cover. Both the live performance and studio experience has Maya really excited to be able to further share her talent.

Taking part in a recent Murrindindi Shire (VIC) initiative supported by Creative Victoria, Maya had the opportunity to co-write with a rising female country star and record her new single 'Summer Days' as well as produce a professional video to accompany it.

*"The first time Maya stepped up to the microphone when we were learning to record vocals in the studio we had this amazing moment that blew us all away. It took only two lines into the song to know that Maya was someone very special." – Paul Ray and Students*

Maya was recently featured in a Win News report covering the 'Dindi Sessions' comprising of a songwriting workshop (facilitated by country artist **Kaitlyn Thomas**) and subsequent recording session held in Yea, Victoria.

**Maya's new single and video 'Summer Days' released on 27 June 2020.**
