6. APPOINTMENT OF PORTFOLIO RESPONSIBILITIES

TRIM: SF/139

(Refer Encl 6 Policy – Portfolio Councillor)

Purpose:

This report provides the opportunity for Council to appoint Councillors to portfolio roles for 2015-16.

Officer Recommendation:

That Council appoint the following portfolio roles for 2015-16:

- Land Use Planning –
- Economic Development –
- Corporate and Customer Services –
- Community Services –
- Natural Environment and Climate Change –
- Infrastructure and Waste –

Background:

Council has in the past appointed Councillors to portfolio roles as a means of strengthening its governance arrangements and enhancing its consultation practices. It is appropriate for this Council, having considered its meeting structure to now proceed to consider the purpose and implementation of Councillor Portfolios.

Council Plan/Strategies:

The appointment of Councillors to portfolio roles is consistent with the Council Plan 2013-2017 Our Council to ensure that Council is exercising good governance principles.

Legal/Policy Issues:

Council is obliged under the *Local Government Act 1989* to review its practices and ensure that they are consistent with good governance principles (refer to current policy – *Enclosure 6*).

Council also adopted a Portfolio Councillor Policy at the 27 May 2015 Ordinary Meeting of Council. One of the key principles of the policy states that in order to enable Councillors to gain a broader experience of Portfolio roles, Councillors will generally not represent a portfolio for more than two years.

Financial/Resources/Risk

There are no financial implications to the appointment of Councillors to portfolio roles.

Discussion:

The appointment of Councillors to portfolio roles has the capacity to enhance Council's governance practices by enabling Councillors to have a greater understanding and input to strategic and policy development on portfolio issues. In that regard, Councillors are able to advocate on strategic and policy issues to both the community and across government sectors.

It also enables Councillors to represent Council on local, regional or state bodies of relevance to the portfolio. In addition, where there is a relevant Council Committee, that Councillor is appointed as chair of that community, unless legislative provisions provide otherwise.

It is recognised that by undertaking a portfolio role, the organisation has an important function in supporting that Portfolio Councillor through regular briefings and the provision of memberships, publications, training and/or conference attendance where appropriate.

Since 2014 the portfolio roles have been as follows:

- Land Use Planning
- Economic Development
- Corporate and Customer Services
- Community Services
- Natural Environment and Climate Change
- Infrastructure and Waste.

Council can chose to change these roles at any time.

Consultation:

The appointment of Councillors to portfolio roles has the capacity to enhance Council's consultation and engagement with key community organisations, other government agencies and the local government sector.

Conclusion:

It is appropriate for a new Council to review its governance practices and ensure that they are consistent with the principles of Good Governance. The appointment of Councillors to portfolio roles is one opportunity to enhance both its governance and its consultation activities.

RESOLUTION:

Cr J Kennedy / Cr J Walsh

That Council appoint the following portfolio roles for 2015-16:

- **Land Use Planning – Cr C Challen**
- **Economic Development – Cr J Kennedy**
- **Corporate and Customer Services – Cr C Healy**
- **Community Services – Cr A Derwent**
- **Natural Environment and Climate Change – Cr J Walsh**
- **Infrastructure and Waste – Cr E Lording**

7. ADVISORY COMMITTEE AND OTHER APPOINTMENTS

TRIM No: SF/920

(Refer Encl 7 – Councillor Representative List)

Purpose:

This report has been prepared to enable Council to make the appointment of Councillors as delegates to various internal committees and external bodies in compliance with *the Local Government Act*.

Officer Recommendation:

That the Councillors be appointed as Council's representatives to the listed committees and organisations for 2015/16 as contained within *Enclosure 7* to this report.

Background:

Council each year appoints a number of Councillors or staff as its formal delegate representative to a range of internal and external bodies. Most appointments are for a one-year term, but some others it may be for a longer period of time. Therefore, it is now appropriate for Councillors to consider the appointment of delegates for 2015/16.

Advisory Committees consist of community members, Council officers and Councillors. They provide advice on a range of issues including: projects, planning, policy, resource planning, disability and community access, community amenity and many other strategic community issues. These Committees have no other authority or purpose other than to give information or advice to Council to assist it in its ultimate decision-making role. An example of an Advisory Committee is Council's Audit Committee which has been established in accordance with the requirements of Section 139 of the Local Government Act 1989.

Under the *Local Government Act 1989*, (Section 86) in addition to any Advisory Committees that the Council may establish, the Council may establish one or more special committees made up of any combination of Councillors; Council staff and other people. Council has established a range of such committees which provide the day to day management of local sites and facilities. Instruments of Delegations and a 'model' Charter along with the composition of representatives on these Committees have been previously adopted by Council.

In addition, Councillors are often requested/required to represent Council (as delegate) via participation on Committees formed by other organisations and these are subject to formal Council approval processes. These range from state-wide Committees, such as Timber Towns Victoria through to regional or sub-regional committees that support a particular program or activity.

Council Plan/Strategies:

This report is consistent with the Council Plan 2013-2017 Our Council to ensure that Council is exercising good governance principles.

Appointments to Committees promotes:

- fiscally responsible practices (eg as in the Audit Committee);
- employment growth and business opportunities (eg CRLLEN);
- environmentally sustainable practices such as recycling (eg the Goulburn Valley Regional Waste Management Authority) and

- access to transport (eg the Linking Murrindindi Partnership);

Legal/Policy Issues:

Councillor appointments to external associations, bodies and committees are to be made through Council resolution at an Ordinary meeting. Participation in some organisations means that Council fulfils its obligations under various agreements with these bodies.

Financial/Resources/Risk

There are no financial or budget implications associated with this report. However, Council does pay a membership fee to local government peak bodies such as the Municipal Association of Victoria and the Victorian Local Governance Association.

Discussion:

Council needs to determine each year which Committees it wishes to have Councillors representation on in order to progress its objectives of both community engagement and good governance.

It is a standard practice for local government to have representation on a diverse representation of Committees which reflects the diversity of the roles and responsibilities of local government. As such, some external bodies have already sought advice regarding Councillor participation on their Committees.

Attached to this report is the list of Committees for which appointments need to be considered. The list has been divided into those which are Council Committees and those external bodies with which Council has a relationship. A key part of Council's activities, being the management of facilities and recreational areas is supported by Committees of Management which are appointed under Section 86 of the Local Government Act. To facilitate their operation and to support their governance arrangements Council has adopted a 'model' Charter, Instruments of Delegation as well as the review of the composition of these Committees. As these Committees have conducted their Annual General Meetings and reviewed their individual requirements, these have been reported to Council to enable Council to adopt these revised membership requirements. Council will continue to receive regular reports on these Committees. The Local Government Act places particular requirements in relation to these Committees including the need to keep minutes of all meetings, have them confirmed at the following meeting and then provided to Council. In addition, Council is also required to review its delegations to these Committees within 12 months of the general election.

As these Committees are commonly comprised of volunteers, some find these legislative requirements onerous. Therefore, over time it is opportune for Council to consider which Committees are functioning actively and those where their purpose has been fulfilled and there is no longer a need for that Committee.

The final group of Committees is where Council has a relationship with State Government departments in relation to either joint use agreements or it has a broad interest in the management of their land for the greater community good.

Consultation:

The appointment of Councillors to various Committees facilitates Council's engagement both across the local government sector and with local community organisations. The attendance of Councillors at Committee meetings is viewed as a means of promoting liaison between the Committee and Council, with a view to facilitating good communications and to ensure that good governance practices are being observed.

Conclusion:

Appointment of Councillor representatives to committees provides an opportunity for open and responsive communication between Councillors and local community groups and local government organisations.

RESOLUTION:

Cr J Walsh / Cr J Kennedy

That the Councillors be appointed as Council's representatives to the listed committees and organisations for 2015 / 2016 as contained within *Enclosure 7* to this report.

8. APPOINTMENT OF TRUSTEES OF THE YEA CEMETERY TRUST

TRIM: SF/139, SF/599

The Yea Cemetery is located in the township of Yea and is administered by all Councillors as Trustees of the Yea Cemetery Trust.

The next meeting of the Yea Cemetery Trust is scheduled for 3.00pm on Wednesday 11 November 2014 in the Alexandra Chambers. Good governance requires that Council appoints new Trustees to the Yea Cemetery Trust prior to that meeting.

Officer Recommendation:

That the Councillors be appointed as Trustees of the Yea Cemetery Trust.

RESOLUTION:

Cr C Challen / Cr E Lording

That the Councillors be appointed as Trustees of the Yea Cemetery Trust.

9. COUNCIL MEETING TIMETABLE FOR 2016

TRIM: SF/286

Purpose:

This report sets out the monthly timetable of Council meetings for the next twelve months from January to December 2016.

Officer Recommendation:

That the proposed schedule, as included in this report, be confirmed and the necessary advertising take place to inform the community of the meeting timetable.

Background:

Council is able to determine its Ordinary Meeting Schedule. Currently Ordinary Meetings of Council are held monthly on a Wednesday evening commencing at 6:00pm.

Council Plan/Strategies:

The consideration of the Council meeting timetable for 2015/16 is consistent with the objectives of the Council Plan 2013-2017 which include under the Goal – Our Community to ‘actively engage with our communities to increase participation and community input.’

Legal/Policy Issues:

Governance Local Law No. 2 does not specify a set day of the week for meetings, however clause 38(1) would need to be amended as it provides that 'A **Council Meeting** must not continue after 3.00 pm unless a majority of **Councillors** present at the **Meeting** votes in favour of its continuance.'

Financial/Resources/Risk

As meetings are currently held in the evening, there would be limited financial implications for Council with some officers being eligible for overtime or time-in-lieu for any evening meetings attended by them. Most officers who attend Council meetings are senior officers for which this is not applicable.

Discussion:

The proposed meeting schedule for 2016 is shown below and is based on Ordinary meetings of Council being scheduled on the fourth Wednesday of every month, except at the time of a general election.

Meeting Date	Venue	Time
Wednesday 27 January 2016	Eildon Primary School	6.00 pm
Wednesday 24 February 2016	Alexandra Chambers	6.00 pm
Wednesday 23 March 2016	Kinglake Men's Shed	6.00 pm
Wednesday 27 April 2016	Alexandra Chambers	6.00 pm
Wednesday 25 May 2016	Alexandra Chambers	6.00 pm
Wednesday 22 June 2016	Alexandra Chambers	6.00 pm
Wednesday 27 July 2016	Alexandra Chambers	6.00 pm
Wednesday 24 August 2016	Yea Chambers	6.00 pm
Wednesday 28 September 2016	Marysville Community Centre	6.00 pm
Wednesday 19 October 2016	Alexandra Chambers	6:00pm
Wednesday 26 October 2016 Special meeting	Alexandra Chambers	6.00 pm
Wednesday 23 November 2016	Alexandra Chambers	6.00 pm
Wednesday 21 December 2016	Alexandra Chambers	6.00 pm

The arrangements for the meeting cycle proposed is as follows:

- Meetings to occur monthly on the fourth Wednesday unless otherwise notified.
- Commencement time of Ordinary Council Meetings is 6.00 pm.
- Unless where indicated, meetings are held at the Council Chambers, Perkins Street, Alexandra.

In determining the Council meeting timetable there are two matters that require further consideration. These are discussed as follows.

1. Meeting day for the Ordinary Meeting of Council

Should Councillors determine that it is preferable for the Ordinary Meetings to continue to be held in the evening, it is appropriate for Councillors to identify the most convenient day for these meetings. It is not unusual for Councils to change their meeting days to reflect any pre-commitments which Councillors may have.

A check of public holidays for 2016 has identified that there are no public holidays falling on the fourth Wednesday of the month.

2. Special Council meeting

A Special Council meeting is held each year to elect a new Mayor, review Council committee representations, Councillor Allowances and determine the meeting schedule for the following year.

As per the Victorian Electoral Commission, the next Council elections in Victoria will be held on Saturday, 22 October 2016. It will therefore be necessary to hold a Special Council meeting immediately following the election to swear in the newly elected Councillors in addition to electing a new Mayor, review Council committee representations and Councillor allowances. For this reason the Ordinary Meeting of Council for October 2016 will be held a week earlier on 19 October 2016.

Consultation:

Once Council has determined the preferred meeting schedule, it will be advertised in the local press to advise the community of the change in arrangements.

Conclusion:

A review of the Council meeting timetable provides the opportunity for Councillors to consider how increased community participating in Council meetings can be encouraged. By conducting the Council meetings in the evening, greater community participation may be encouraged.

RESOLUTION:

Cr J Kennedy / Cr E Lording

That the schedule of meetings, as revised below, be confirmed and the necessary advertising take place to inform the community of the meeting timetable.
