Description of Proposal and Reasons for Application

The Minister for Planning in his Minister's Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to regulation **75** that Council must have regard to when considering varying a design and siting standard.

Note: If any matter set out in the guidelines is not met, then Council **must refuse** consent.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria

Objective

To ensure that the height of buildings respects the existing or preferred character of the neighbourhood.

Decision Guidelines

- a) The height will be more appropriate taking into account the prevailing heights of existing building on nearby allotments; **or**

Comment:

- b) The height will be more appropriate taking into account the preferred character of the area, where it has been identified in the relevant planning scheme; **and**

Comment:

- c) The height is consistent with a building envelope that has been approved under a planning scheme or planning permit and/or included in an agreement under Section 173 of the Planning and Environment Act 1987; **and**

Comment:

d) The height will not result in a disruption of the streetscape; **and**

Comment:

e) The height is consistent with any relevant neighbourhood character objective, policy or statement set out in the relevant planning scheme.
