Application Specifics

Yea Butter Factory, 13 Rattray Street, Yea

The proposed change of use applies to the rooms designated as the 'Venue' and 'Gallery' on the Ground Floor (Figure 1). The upper floors continue are for residential use.

The Venue

It is envisaged that the 'Venue' will primarily be used by the community for small events where the Shire Hall is too big in size.

Usage and frequency

At this time we have not decided on either the use for the Venue or the frequency of usage. Some of the ideas to date are listed on the table below and are dependent on the relevant organisation's desire to hold events here. We would not be doing everything listed in the table every year.

Possible events	Predicted persons	Predicted frequency	Duration & time
Local theatre productions	80	<10 performances/yr (over a two week period)	Fri,Sat evenings Sat,Sun matinee (2 hours)
Community organisation events e.g. Yea Community House events – meditation, drawing, dancing, etc*	15	weekly in school terms	Mon-Fri evenings (1.5 hours)
Conferences, talks, seminars, workshops, etc.	30	12 / year	Mon-Fri daytime (8 hours)
Weddings	80	2 / year	Sat,Sun afternoon/evening (5 hours)
Music (house) concerts, Creative Arts Victoria & Yea Arts Inc. events	80	4 / year	Fri,Sat,Sun afternoon/evening (2 hours)
Landcare functions (meetings, AGMs, film nights)*	50	12 / year	Mon-Fri evenings (2 hours)
* not for profit			

Structural changes to support Change of Use request

Structural changes will support the relevant standards in terms of OH&S, fire and access.

s part of a planning process under the Planning and Environment Act 1987.

<u>The docment must not be used for any pupose which may breach any Copyright or Privacy Laws</u>

Parking

Off-street parking

The YBF site has currently car spaces for 17 vehicles parked at a 90 degree angle along the western perimeter, south of the building (according to Standard 52.06-8), see Figure 2.

Extension of the parking area south along the western boundary could provide an additional 7 onsite parking spaces at 90 degrees (including 2 accessible parking bays), see Figure 3.

Entrance to and exit from the property will be from Entrance 3 (Figure 2). The driveway will be widened to conform to the relevant standard.

Parking bays will need to be indicated and car park lighting and surfaces provided to conform to the appropriate standard. Appropriate signage needs to be installed to identify entrances, exits, traffic flow and parking.

On-street parking

The Yea Butter Factory has 164 metres (not including the 3 driveway entrances) of Rattray Street frontage. According to Design standards for car parking (52.06-8) this could provide parallel parking for 24 vehicles.

Along Rattray Street, 138 metres of the road opposite the Yea Butter Factory consists of properties which front Welch Street i.e. parking along the YBF kerb would not interfere with normal residential entrance to or egress from those properties.

Noise

Curfew to be set at 11:30pm.

as part of a planning process under the Planning and Environment Act 1987.

he docment must not be used for any pupose which may breach any Copyright or Privacy Laws

The Gallery

It is proposed to use the 'Gallery' as a Studio/Gallery space for the display and sale of art works by visiting and art works produced on the premises. We would potentially like to sell coffee and tea beverages.

Proposed opening times: Saturday, Sunday, Monday (10am – 4pm), and up to six Friday evenings per year (for exhibition openings etc.) up to 8pm.

Parking: see main application

Noise: no issues

Structural changes: The room will comply with all fire, access & OH&S requirements.
