

EMMA PYLE

Emma's natural ability to shine as she shares her love of singing and performing makes people fall head over heels instantly. 'Big Mistake' was her first co-write and it has fueled a passion for more original music.

Citing fellow Australian artists 'Grim Fawcner' and 'Delta Goodrem' as inspirations, Emma is keen to learn and to develop her music to the highest standard. This rising star has just the right amount of nervous energy to know that something big is around the corner.

At 12 years old Emma has written one of the most beautiful songs you will hear in 'Overcome'. A self-reflection on how to cope with bullying when it takes you to your lowest point.

Taking part in a recent Murrindindi Shire (VIC) initiative supported by Creative Victoria, Emma had the opportunity to record 'Overcome' and produce a professional video to accompany it.

"Emma kicks in with some great lyrics – she's got a knack for clever wordplay and cheeky subject matter which is reminiscent almost of a young Taylor Swift! – Universal Music

Emma was recently featured on a Win News report covering the 'Dindi Sessions' songwriting workshop (facilitated by country artist **Kaitlyn Thomas**) and subsequent recording session held in Yea, Victoria.

Emma's new single and video 'Overcome' released on 6 June 2020.
