MURRINDINDI SHIRE COUNCIL  
PO Box 138  
ALEXANDRA VIC 3714

Dear Sir/Madam,

PLANNING PERMIT NUMBER: P051.2025  
APPLICANT: Navy Blue Planning Pty Ltd  
DESCRIPTION OF LAND: 18 TWENTY FIRST STREET, EILDON

## **CONDITIONAL CONSENT TO ISSUE OF PERMIT**

AusNet Electricity Services Pty Ltd does not object to the issue of a planning permit in respect of the abovementioned application if the permit is subject to the following conditions.

## **CONDITIONS REQUIRED BY AUSNET ELECTRICITY SERVICES PTY LTD**

The plan of subdivision submitted for certification must be referred to AusNet Electricity Services Pty Ltd in accordance with Section 8 of the subdivision Act 1988.

The applicant must –

- Enter into an agreement with AusNet Electricity Services Pty Ltd for the extension, upgrading or rearrangement of the electricity supply to lots on the plan of subdivision. A payment to cover the cost of such work will be required.
- Provide electricity easements internal and external to the subdivision in favour of AusNet Electricity Services Pty Ltd to service the lots on the plan of subdivision and/or abutting lands as required by AusNet Electricity Services Pty Ltd. The provision of reserves for electricity substations may also be required.

## **END OF CONDITIONS**

It is recommended that, at an early date the applicant commences negotiations with AusNet Services for a supply of electricity in order that supply arrangements can be worked out in detail, so prescribed information can be issued without delay (the release to the municipality enabling a Statement of Compliance with the conditions to be issued).

Arrangements for the supply will be subject to obtaining the agreement of other Authorities and any landowners affected by routes of the electric power lines required to supply the lots and for any tree clearing.

Prospective purchasers of lots on this plan should contact this office to determine the availability of a supply of electricity. Financial contributions may be required.
